

650—36.3 (272D) Suspension or revocation of a license. The board shall suspend or revoke a license, permit, or registration upon the receipt of a certificate of noncompliance from the centralized collection unit according to the procedures set forth in the Act. This rule shall apply in addition to the procedures set forth in the Act.

36.3(1) *Service of revocation or suspension notice.* A revocation or suspension notice shall be served upon the licensee, permit holder, or registrant by certified mail, return receipt requested; by personal service; or through authorized counsel.

36.3(2) *Effective date of revocation or suspension.* The effective date of the suspension or revocation of a license, permit, or registration, as specified in the revocation or suspension notice, shall be 60 days following service of the notice upon the licensee, permit holder, or registrant.

36.3(3) *Preparation and service of revocation or suspension notice.* The executive director of the board is authorized to prepare and serve the revocation or suspension notice upon the licensee, permit holder, or registrant and is directed to notify the licensee, permit holder, or registrant that the license, permit, or registration will be suspended, unless the license, permit, or registration is already suspended on other grounds. In the event that the license, permit, or registration is on suspension, the executive director shall notify the licensee, permit holder, or registrant of the board's intention to revoke the license, permit, or registration.

36.3(4) *Responsibility to inform board.* The licensee, permit holder, or registrant shall keep the board informed of all court actions and all centralized collection unit actions taken under or in connection with the Act. Licensees, permit holders, or registrants shall also provide the board copies, within seven days of filing or issuance, of all applications filed with the district court pursuant to the Act, all court orders entered in such actions, and any withdrawal certificates issued by the centralized collection unit.

36.3(5) *Reinstatement following suspension or revocation.* A licensee, permit holder, or registrant shall pay all board fees required for renewal or reinstatement before a license, permit, or registration will be reinstated after the board has suspended or revoked a license, permit, or registration pursuant to the Act.

36.3(6) *Effect of filing in district court.* In the event a licensee, permit holder, or registrant files a timely district court action pursuant to the Act, and following service of a revocation or suspension notice, the board shall continue with the intended action described in the revocation or suspension notice upon the receipt of a court order lifting the stay, dismissing the action, or otherwise directing the board to proceed. For purposes of determining the effective date of the suspension or revocation, the board shall count the number of days before the action was filed and the number of days after the action was disposed of by the court.

36.3(7) *Final notification.* The board shall notify the licensee, permit holder, or registrant in writing through regular first-class mail, or by such other means as the board determines appropriate in the circumstances, within ten days of the effective date of the suspension or revocation, and shall similarly notify the licensee, permit holder, or registrant if the license, permit, or registration is reinstated following the board's receipt of a withdrawal certificate.
